

### ASHURST CIRCUIT 10<sup>th</sup> March 2024

It was great to see three times as many riders having entered the event this year compared with 2023 but sadly this good fortune was not to last as Cheesy discovered temporary traffic lights on the B2135, when conducting the RA, meaning that the course couldn't be used. With some quick thinking, sign juggling and to avoid the event being cancelled for the third time in four years, Cheesy moved the event on to the A283 combining parts of the G15/92 and G50/10 course. The last minute change meant that a course of 16.40 miles and with similar elevation could be used for the event and the SPOCO competition. Two debutants in this event from WECC, Ben Toovey and Verity Lacey, doubled the number of club riders from 2023. A good showing by all in damp conditions and all seemed happy that the event went ahead.
