

Worthing Sporting 10 Mile and Sporting 25 Weekend (held within SCA events) 24/08/24 and 26/08/24

Saturday 24th August had two riders on the start line for the WECC Sporting 10 mile event (Held within the SCA event). The weather was very wet and windy so it was going to be a tough morning. Cheesy had made a schoolboy error forgetting that the start time was 10 am rather than the usual “Stupid O’Clock” and was later hosting a Diamond Wedding celebration at his house for the in-laws. As a result Marital happiness to precedence over the race so he DNS. Karl would be guaranteed the full compliment of SPOCO points provided he finished. Whilst he did finish, he got a rear wheel puncture at around the 8 mile mark and so as not to loose too much time opted to gingerly carry on hence his much slower time. Karl described a few corners as “exciting!” and placed 9th overall.

Bank Holiday Monday saw both Karl and Cheesy take to start line for the WECC Sporting 25 mile event (Held within the SCA event). It was Cheesy's first race since 14th July due to injury and holiday so he was unsure what his current condition would be. Weather conditions were significantly better and Cheesy wasn't under threat of sleeping in the shed by attending this one!! Both riders placed in the top 10 overall with Karl securing 4th and Cheesy 10th. Karl had to rush back to HQ before the start as his rear tyre had deflated again so he quickly swapped it for his spare deep section rear. With no more SPOCO points qualifying events left in 2024, Karl has secured that title, as well as the Sporting 10 and 25 events.
