RESULTS SHEET – ASHURST CIRCUIT (GS/982)

A good turnout with 23 riders prepared to brave the cold early start with a temperature of 4 degrees and a strong north-easterly wind.

The top three positions were taken by the same riders as in last week's "10" albeit with a switching of the minor positions. Mike O'Gorman was fastest man at the 15 mile mark with only 1.4 miles remaining but an HGV tanker cost him time at the Washington roundabout and this was to prove crucial as Trevor Leeding came through to win again, this time by five seconds in a time of 41:01. Simon Atkinson was just a mere three seconds further back to complete a very tight grouping for the podium positions.

The reason for timings being taken at the 15 mile mark was that the event incorporated the club's Junior 15 mile championship. Shaeff Potter recorded a good time of 48:44 to take the title uncontested. It is great to see such enthusiasm and commitment, and we wish him well for the remainder of the season.

It is good to see new faces on the start line with Andrew Haste making his second start, and Chris Rudd and Simon Toppin making their competitive debuts this morning.

Martin Booker won the handicap event, beating newbie Chris Rudd by 29 seconds, with Colin Barton a minute further back in third place.

Again as with last week the quickest rider on the day was our old friend Dom Maxwell, now riding for Sussex Revolution (and now being a second claim WECC member). South Downs Bikes put in five riders which is encouraging too.
