HILL CLIMB SERIES - No 2 (GH/95)

Thursday 21<sup>st</sup> August 2014

Promoted for and on behalf of **Cycling Time Trials** under their rules and regulations

## Report

Thursday 21<sup>st</sup> August

In a repeat of his success last year Mark Newnham once again wrapped up the WECC Hill Climb Champion title in super quick time by winning each of the first two events. This week also had the bonus of a further improvement on the personal best that he had set only 7 days ago. A richly deserved 'chapeau'.

The second and third positions from last week were reversed, with Chris Putnam getting the better of Carl Trevis this time.

The sole junior, Mark Field, put in another excellent ride and shows a lot of promise. Nice to see Allan Cooper back after his lengthy injury absence. Finally well done to Graeme for doing a hill climb on a trike.

Good to see four private entries with this season's rising star Phil Allen of Lewes Wanderers recording the fastest time of the evening, and with young Stanley Kennett of GS Stella not that far behind
