EVENING 10 SERIES - No 2 (G10/98)

Thursday 23rd April 2015

Promoted for and on behalf of **Cycling Time Trials** under their rules and regulations

Report

Really benign weather for only the second race of the season. Virtually no wind and the temperature at around 12 degrees. You can't ask for better than that in April. It was an opportunity for personal bests and six riders did just that.

Simon Atkinson carried on where he left it last season by adding to last week's win in a time of 21:31, thus maintaining his 100% record. Despite messing up his pre-race routine and almost missing his start time Mike O'Gorman notched up a PB with 21:51 to finish in 2nd place. Mark Newnham completed the podium positions with a fine time of 22:31.

The other riders to enjoy PB success were:

Martin Booker	4th place and a 17 second improvement.
Darron Muggeridge	5th place, and smashes through the 23 min mark for the first time.
Guy Smith	A whopping 72 seconds off his only other previous ride which was last week.
Andy Haste	Like Guy this was just Andy's second 10 ever. A 38 second improvement.
Jeff Blunsdon	6 seconds better than before.

Well done to all those riders, and it's great to see our members enjoying pushing themselves to see what they can really do. In fact, well done to all the riders for providing such a great and lively club environment. It's what cycling clubs are all about.

=====

The fastest rider on the night was young Jack Donaldson of Neon Velo who was one of three riders to beat the 21 minute mark. Close behind them with a brilliant 21:08 was a name that is familiar to us – Dom Maxwell of Sussex Revolution VC. It's interesting to note that of the top seven riders exactly five of them have switched clubs for this season and in each of those instances the club is a 'new start'.

=====

This coming weekend sees more Open time trial activity for the WECC riders. On Saturday Mike O'Gorman rides in the Hampshire Road Club 10 on the A3 (course P881/10). On the following day we have Trevor Leeding, Phil Frean, Martin Booker, Rome Bhamra and Mike O'Gorman all in the Addiscombe CC 25 on the A264 (course G25/54). With a Met Office forecast saying 80% chance of rain on Sunday morning it's likely to be a wet one!
