EVENING 10 SERIES - No 11 (G10/98)

Thursday 25<sup>th</sup> June 2015

Promoted for and on behalf of **Cycling Time Trials** under their rules and regulations

## Report

A warm and calm evening offered those riders in form and in the mood a chance to have a crack at putting in a good time. However to offset that Washington roundabout once again added to riders problems. This time, in addition to the usual traffic issues, it was the plethora of slippery road warning signs due to oil having been spilled on the road surface there in a traffic accident the previous day. Nevertheless there was almost a full entry as 41 riders took to the line.

In a familiar and recurring pattern Guy Smith once again was well clear of the other Excelsior riders with yet another sub 21 minute ride – his third in a row. That closes the gap to Simon Atkinson at the top of the series leaderboard to just a single point. Just one more win would put him level on points but ahead on aggregate times. It's quite remarkable just how quickly that situation has developed as Guy has ridden just a mere nine time trials.

Two riders finished inside the 22 minute mark; Mike O'Gorman was second with a 21:52, closely ahead of Trevor Leeding with 21:59.

Two riders who were hugely happy with their form on the night were Mark Newnham and Andy Haste. A continuation in adjusting his bike set-up seems to have paid dividends for Mark as he took 16 seconds off his personal best with a fine 22:09. This was well over a minute quicker than last week. After a number of weeks putting in times of mid 23s Andy suddenly put in a spurt to improve his personal best by almost half a minute with a 22:57. Looks like Colin Barton has a real challenge to stay with his friendly rival.

Rick Hughes also put in a strong performance and was just a mere four seconds off his best ever time.

It was good to see two riders making their first ride of the season with Steve Feest and Nicole Patterson-Lett appearing. And their other halves were present too with Michelle doing a fine job as recorder and Clive showing everybody just what happens to you when you hit a pothole at speed.

=====

Marc Clothier of South Downs Bikes/Casco was tonight's fast man with 20:29, ahead of Howard Bayley of Blazing Saddles.

## WECC riders in Open Time Trials

**Saturday 20<sup>th</sup> June / Sunday 21<sup>st</sup> June**

Just one Excelsior rider in action last weekend and Mike O'Gorman recorded two personal course records.

On Saturday he rode in the Eastbourne Rovers CC 10 and his time of 22:48 was a 25 second improvement, gaining him the win in his age category and placing him 14<sup>th</sup> overall.

On the following day he rode in the Farnham Road Club 25 in adverse windy conditions. In a large field of 120 riders his time of 57:45 (9 seconds improvement) gained him the win in his age category and placed him 20<sup>th</sup> overall.

### **This coming weekend**

As the season moves into the period of long distance events there is an upswing in activity.

On Saturday Colin Barton is due to ride the Horsham Cycling 10 on G10/57; his first time on this course.

On Sunday we have six riders in the Southern Counties CU 50 (which includes the Excelsior Club 50 Championship competition). These are Simon Atkinson, Mike O'Gorman, Rick Hughes, Ian Cheesman, Martin Booker and Rome Bhamra.

On the same day there is the Hampshire Road Club 50 on P885/50 and Trevor Leeding has opted to ride in this event.

The Sussex CA 50 is on the following weekend and we have three riders in that (Rick, Trevor and Mike).
