Report

The Worthing Excelsior 2015 Evening 10 Series concluded this week with the final 17th and event.

To no-one's great surprise the 2015 Series Club Champion is Guy Smith in just his first season of racing. Gaining an optimum score of 6 points he finished just ahead of last year's champion Simon Atkinson (7 points) and Mike O'Gorman (10 points). With Simon having won the first five events it looked like it was going to be 'business as usual'. The following week though Guy gained his first win and then never looked back.

Just like last season Nicolle Patterson-Lett left it until the very last event to complete her six qualifying rides. This time though she went one better, finishing ahead of last year's champion Joan Lennon and becoming the 2015 Series Ladies' Champion.

Schaeff Potter became the undisputed 2015 Series Junior Champion with an increasingly good set of performances throughout the season. He did well enough to finish in the top half of the seniors list with 44 points, which was a huge improvement on last season's tally of 83. Just watch him go next season!

Mike O'Gorman became 2015 Series Veterans' Champion with an average of +6:19. This was a significant improvement upon his winning figure of +5:29 last season, and it needed to be as Guy Smith finished in second place with a fine +5:57 which was also well ahead of last season's mark. Trevor Leeding was third with +4:55, which is a single second better than his figure for last season.

=====

For the third week in a row the event drew a full field with hopeful riders having to be turned away. This appears to be in part due to the reduced maximum of 35 riders, but also because our season now runs longer than other we find that riders previously unknown to us are seeking out an event to ride in. Although one would hope that the last race being well into summer would produce good times this did not actually prove to be the case. Once again the wind (which blew the Worthing Excelsior banner over and into the road before the start of the event) proved tricky and there was not a personal best in sight.

Mike O'Gorman took advantage of Guy Smith's absence to record a rare win as he was the only Excelsior rider to go inside 22 minutes with a time of 21:58. Trevor Leeding was second placed man with 22:09. Trying out his new Trek Speed Concept for the first time Rick Hughes rounded off his recent run of good form by coming third in 22:19.

This season's close rivalry between Colin Barton and Andy Haste resumed after a three week gap with Colin reversing recent results by finishing ahead of Andy. Colin's 4th place was his best of the season.

Ian Cheesman's time trial bike went well on the night (albeit not with him on it) as young Schaeff Potter tried it out as part of his preparations for the National GHS Junior 10 Finals to be held in September. Ian has kindly made the bike available to Schaeff for this major event. Club members are doing all that they can to help with kit and advice. This was Schaeff's first competitive outing on a time trial bike so there is more to come. As it happened he was highly delighted to finish a mere 60 seconds behind the winning time.

As mentioned earlier Nicole Patterson-Lett clinched the ladies' title with 13th place and 26:32.

=====

With the brothers seemingly taking it in turns, this week it was Chris McNamara who was the fastest on the night (20:07).

Upcoming events

This weekend it is the National VTTA 50 Championship to be held on the A3 (course P885/50). Two of our riders, Mike O'Gorman and Trevor Leeding have entered. Being a VTTA event the qualification is by best 'plus on standard', and the eventual results are also ranked in that manner (as opposed to scratch time).

Also on Sunday it is the ESCA 100 on G100/861. Rick Hughes has entered for this one, and we wish him well on his new bike and at the first time at this distance.

The date for the Clonmore Trophy, which is an Inter-Club event between WECC, Southdown Velo, Hampshire Road Club and Bognor Regis CC has now been confirmed as Sunday 20th September. It is on the (hopefully) fast and popular P901/25 course at Fontwell (7:30 start). If you want to ride then please let Mike O'Gorman know.
