HILL CLIMB SERIES - No 2 (GH/95)

Thursday 20<sup>th</sup> August 2015

Promoted for and on behalf of **Cycling Time Trials** under their rules and regulations

## Report

An excellent turnout given the threatening conditions. As it turned out the rain did hold off but everyone was a fair bit slower than last week.

Just like last season Mark Newnham nailed the title within two rides so huge congratulations there.

Chris Putnam finished second again and looks to be the clear favourite to take the second place in the competition.

Special mention must go to the third placed rider. Going from strength to strength this season was young Schaeff Potter in an excellent time of 1 min 48.1 secs and this was 20 seconds faster than he managed last season.

Also – a big welcome to two new members. We were delighted to see father and son, Dave and Aaron Hartley, competing. Certainly it was a shorter ride for them than their recently completed John O'Groats to Lands End.

## WECC riders in Open Time Trials

### Last weekend

On Saturday Mike O'Gorman rode in a field of 150 riders in the North Hampshire Road Club 25 near Farnham. His time of 56:53 was a personal course best and he took first prize in his age category.

Also on Saturday Colin Barton rode in the South Eastern Road Club 10 on G10/57. Feeling somewhat under the weather he was disappointed with his 24:04 and 28<sup>th</sup> place.

On Sunday all of our competitive riders were in the club event on the Pulborough Circuit.

### Upcoming events

On Saturday Colin Barton will be having another crack at the lumpy G10/42 course in the Dulwich Paragon CC event. The following day Colin Barton, Mike O'Gorman and Martin Booker are in the Bec CC 25 on G25/54.
