# Report

Even slower than last week as a stiff Northerly wind made it very hard going indeed. Even the mighty Chris McNamara was reduced to a 21 minute ride.

After having helped out with marshalling duties last week Dominic Maxwell made his first competitive appearance in the series and duly recorded a clear win by almost a minute.

Just 13 seconds separated the next five riders. Rick Hughes followed up last week's win with a fine second place and he is showing sustained impressive form. Close behind and in joint third place were Schaeff Potter and Trevor Leeding. This was Schaeff's first time where he used a TT bike on a Thursday evening as he continues to borrow Chris Putnam's old one. It's a matter of when, not if, he smashes through his personal best time of 22:56. He just needs some favourable conditions (don't we all?).

The highlight of the evening must be the ladies competition with three of them racing this evening. In Nicky's words:

Three ladies racing from the club. All three of us chose to have low numbers as the evenings are still drawing in early. Joan started off the evening's race with bib no 1, Nicky bib 2 and Nicole bib 5.

We all did well in quite windy conditions. Nicole even managed a cheery hello to the marshals at Findon roundabout.

Hopefully from tonight's efforts we are on course for PB's later in the season.

Neil Crowther put in another good performance and is now starting to learn the effect of the conditions on the course. And it's good to see Phil Walker making his first start since the back end of the 2014 season with injury having put paid to things since then.

As mentioned earlier Chris McNamara of Nuun-Sigma Sports London Racing was the fastest on the night, with Phil Allen (South Downs Bikes) and Richard Weatherstone (GS Stella) rounding out the first three.

### **WECC riders in Open Time Trials**

#### Last weekend

Bitterly cold on both days.

On Saturday afternoon Mike O'Gorman rode in the Farnborough & Camberley CC 25 (H25/8) and recorded a 58:19.

Sunday saw us enter three pairs in the Sussex CA 2 Up Team Time Trial (GS/987) – essentially 1.7 laps of the Ashurst Circuit (28.46 miles). Our quickest pair (racing as a pair for the first time) were Trevor Leeding and the in-form Rick Hughes who went round in 1:08:57. Chris Putnam rode with Schaeff Potter who was having a rare but welcome outing on a time trial bike borrowed from Chris. Their time was 1:14:06 which was five and a half minutes quicker than last season. Our third pair (also newbies) were Spencer Kirkham and on road bike and Paul Townsley on a TT bike. This combination on a sporting course meant that it was tricky for them to maintain an optimum pace with one much quicker on the hills and the other much quicker on the flatter sections. They finished in 1:18:01.

Also on Sunday we had riders in the Addiscombe CC 25 (G25/54). Dom Maxwell did really well to record a 57:13 on a slow and difficult day. Mike O'Gorman was disappointed to finish just outside the hour on 1:00:29 although it was his second 25 mile event inside 17 hours. Phil Frean rode a 1:08:47, and Rome Bhamra rode a 1:11:12.

Photographs of all our riders in action throughout the season can be found here on our club web-site.

Full details of all of the various performances can be found on our <u>club web-site</u>.
