Report

It's been a wonderful year. The numbers of riders from our club and from other clubs has been hugely encouraging. There has been great participation and help from so very many people to make the series happen and in such a fine manner. And it has been an excellent competition with a truly thrilling climax.

John McGrath needed to beat Dom Maxwell on the night to win the title. Dom gave it absolutely everything in a determined effort to defend his lead in the table. His time of 21:12 was his fastest time of the season and was just four seconds short of his PB set last year. This was almost good enough, but not quite. John was a mere eight seconds quicker with 21:08.

So both riders finished level on points but John won on aggregate time for the seven qualifying rides. John's aggregate was 2:29:15 (average 21:19), and Dom's was 2:32:34 (average 21:48). Huge congratulations are due to both riders for their efforts and also for providing such entertainment in a fitting finale to the season.

Neil Crowther did well to gain a third place as he was the quickest of the next nine riders who were all closely grouped on the 22 minute mark. Another first season racer Karen McGrath took the ladies' title for the series. Schaeff Potter retained his junior 10 title, ahead of Aaron Hartley. Mike O'Gorman retained his veterans 10 title.

It was lovely to see Maureen Lock with us acting as recorder, and big thanks from all to Nicky Carsons for the scrumptious chocolate brownies provided for all to enjoy.

===

The only disappointment of the evening was that another four riders had to be disqualified. In contravention of course regulations two turned right immediately after the finish and one rode back past the finish timekeeper. The fourth contravened our safety regulations on roundabouts, putting himself in great jeopardy at Washington roundabout and causing a driver to have to take corrective action. This is the second such incident in the last two weeks. As has been pointed out several times this season we cannot afford to lose the goodwill of the local populace.

We have tried extremely hard this season to promote the course regulations. A link is provided here. Please take care to ensure that you have read and understood them in readiness for next season. It is a requirement of the formal risk assessment for the course.

Colin didn't feel that great for the first few miles and traffic forced him to a halt at one roundabout early on (just the thirteen of them on this 10 course). So he was very surprised and somewhat delighted when he found that he had knocked 17 seconds off his course best.

Yet another fine turnout by Excelsior riders for another club championship event held within the SCA Championships and some great performances all round with lots of reasons to be pleased. It's wonderful to see the vibrancy, competition and camaraderie within the club. Our old legend Don Lock would be so very proud.

Huge congratulations to Karen McGrath once again as she continues to set new club records. Her 1:23:34 beat the previous mark (Jan Scotchford 1:28:05) by four and a half minutes. She now has the club record at 10, 15 and 30 miles.

Husband John continued his remarkable first season by claiming the club 30 title as he finished in a fine fifth place overall. Trevor Leeding and Mike O'Gorman provided the necessary support as WECC claimed the Sussex CA team title (to add to the 100 that the club won only last week). They finished over 12 minutes clear of second placed GS Stella.

Mike retained his Sussex CA vets 30 title and also the Sussex CA Vets short distance Best All Rounder (for 10, 25 and 30 miles). He had already retained the titles for both middle and long distance.

It's heartening to see last year's 30 champion Simon Atkinson back in action and showing clear signs of returning to his old form as he got a great fourth place. This burst in form caught the handicapper by surprise and Simon won the

WECC Handicap Competition. Debutant Dan Cobby was just one second further back on scratch so plenty of potential and promise there one suspects. Dan took second place in the Handicap Competition ahead of Martin Booker.

Ian Cheesman finished with a very good time given the number of self-induced problems that he faced:

“Having read the sheet I assumed we had to go via Wiston to the start and assumed the 2.2 miles was that route but it wasn't so I ended up 12 seconds late start (very lucky not to be penalised with a penalty other than the 12 seconds. Then I realised up B2135 that my skinsuit wasn't fully done up. Then to cap it all as I turned left on A24 my left arm rest came loose. All in all I am very pleased with my ride and only 24 seconds off my PB. Responsibility for all of it lies with the idiot rider!!!”
