Qualifying event for WECC SPOCO Competition

Promoted for and on behalf of **Cycling Time Trials** under their rules and regulations

RESULTS

The toughness of the course is clearly demonstrated by the huge array of negatives against standard time for the distance. This is not an easy course.

Nik Allen finished off a successful week by adding a Pulborough Circuit win to the Evening Hill Climb shared first place from three days earlier. Not only that but he also confounded the handicapper today and won the handicap rankings too, finishing well ahead of Martin Booker and Simon Atkinson on handicap.

Ian and Simon also recorded good times as they finished close behind Nik in the scratch rankings and Simon was particularly pleased with his return to form.

With Mike and Trevor away three riders took valuable SPOCO points and moved to the top of the leaderboard with Ian Cheesman taking pole position.
