COURSE SAFETY NOTICES

Report

Well, it's here again as the eagerly anticipated Evening 10 series kicks off again for another season. If it ends up being as thrilling and close as in 2016 then we are all in for a treat. There have been four different series winners in the past four years and last season's was decided in the final race. It is a shame that last season's champion John McGrath is unable to start things off but we all wish him well on his recovery from knee surgery and it was good to see that he has started riding a bike this week.

===

Everyone was expecting a titanic battle between Nik Allen (in great form having improved significantly over the winter and Gavin Ash (in his first ever time trial but with awesome power figures). But it didn't quite turn out the way that was expected. Nik smashed his PB by well over a minute and his 20:59 was more than good enough to win both the scratch and the Vets on Standard rankings. Gavin did produce a wonderful first ride with a recorded time of 21:18 but then wrecked it with a DQ for infringement of the (widely publicised) course safety regulations.

Neil Crowther is another who has improved markedly over the winter and he secured a fine second place, just beating the 22 min mark with a 21:56 (and a new PB by 5 seconds). Great performance and positions were also notched up by Ian Cheesman, Colin Barton and Martin Booker.

Well done to Jeff Blunsdon and to Clive Patterson-Lett on new PBs, and to Spencer Kirkham and Simon Steeles for their first evening 10s with us. Also to Ollie and Harry – our developing juniors. Ollie's 26:34 was well over three minutes quicker than his first 10 last month (Morning Handicap), and Harry's 27:56 was also more than three minutes quicker than his time in that same event.

Unfortunately Dave Funnell (who recorded a 28:06) joined Gavin Ash on the DQ list – for the same reason.

WECC riders in Open Time Trials – Latest Action

The Evening 10 series may just have started but several of our riders have been competing in time trials since February.

Excelsior riders were in action throughout the Easter weekend with events on all four days.

Details/photos from all rides so far in 2017 can be found [HERE](#).

Upcoming events

There's lots of racing to be done this weekend, although surprisingly nobody opted for the ESCA 10 or ESCA 25. It looks like people are taking the opportunity to get used to the G25/54 course which is used for our club Open 25 in May.
