COURSE SAFETY NOTICES

Report

Despite the series having a late start this season the riders have not benefited from any improvement in the weather. A strong gusting North Easterly made things particularly difficult and most of the riders recorded times much slower than their nom. In fact this was the most challenging of the three events thus far. It is probably also why there was a very much reduced entry.

The leaderboard had a familiar look to it with Nik, Gavin and Dom taking the podium places. Nik also recorded his third straight win on Vets Standard.

Callum Lelliott and Tom Jarman rode their first ever 10s and well done to them. Huw Williams bucked the trend by recording his fastest time of the season so he is clearly a rider on the up. Ollie Lane was the other rider to get a positive by getting a PB so congratulations to him too.

And well done to the entire field for following the course regulations.

WECC riders in Open Time Trials – Latest Action

Excelsior riders were in action at the SCA events this weekend, being the Championship 10 and the Championship 25. Once again some great performances and particularly well done once again to Nik Allen and to Nolan Heather.

Details/photos from these events (and all rides so far in 2017) can be found [HERE](#).

Upcoming events

It's always a sign that the season is moving on when the longer distance events appear in the race calendar. Three of our riders have entered the first 50 of the season and we wish Ian Cheesman well as he bids for his first ever sub 2 hour ride at this distance. Last season's winner of the Shipton Cup for the fastest 50 of the season, Trevor Leeding, will be looking to put down an early marker.

Another three of our riders are back to the 31 roundabout G25/54 course, so by the time that our club open is run next week they will have had a surfeit of these infernal hazards!

WECC riders in Road Races

There was a lot more WECC road racing action this week with Gravesend, Chelmsford and Goodwood amongst the venues.

Well done to Gavin once again; this time for securing his first point as a Cat 3 rider.

Well done too to Ollie for his continuing commitment and enthusiasm – and his great write ups.

Details/photos from all the road race action can be found [HERE](#) together.
