## **Report**

Somewhat retrospectively as it passed under the radar two weeks ago: Well done to Nik Allen / Dom Maxwell / Gavin Ash as they beat the previous team record for a 10 (set twice by in 2015 by Guy Smith / Simon Atkinson / Mike O'Gorman and also by Guy Smith / Mike O'Gorman / Mark Newnham) by 11 seconds. Nik has added to that by securing a new club record for a 10 in yesterday's a3crg Open 10.

=====

This week, not only did everyone turn up with a rear light but they also managed to secure them properly so that they didn't fall off on the course! The bad news is that the rain came and the surface was slick and greasy. Several riders described feeling the slipperiness, whilst a few opted not to even start.

With Dom and Gavin away on road racing action and Nik opting not to start there was a new and first time winner. Congratulations to Neil Crowther.

Surprisingly, given the conditions, there were some excellent performances. Jeff Blunsdon and Simon Steeles notched up new PBs and Nolan Heather improved his LTS once again. There were also season best times for Allan Orman, Huw Williams, Phil Freaan and Trevor Leeding.

## WECC riders in Open Time Trials – Latest Action

There were two events this weekend with three riders choosing the Norwood Paragon CC 25 and three others riding in the first 50 of the season.

Well done to Martin Booker for his best 25 of the season, and well done also to Trevor Leeding for setting an early benchmark for fastest 50 of the season.

As has been mentioned earlier Nik Allen and Mike O’Gorman rode in in yesterday’s a3crg Open 10 and Nik beat Guy Smith’s 2015 record of 20:34 by five seconds.

Details and photographs from these events (and all rides so far in 2017) can be found [HERE](#).
