## **Report**

### **YET ANOTHER NEW CLUB RECORD**

Well spotted Neil Crowther as he noticed that, in last week's event, and for the second time in five weeks the club team record for a 10 has been broken. He also commented that with the increasing strength and competition within the club he did not expect the latest record to last very long either.

This time it was Nik Allen (20:44), Dom Maxwell (21:12), Mike O'Gorman (21:23) giving a total time of 1:03:19, which is 38 seconds quicker than Nik (21:12), Dom (21:17) and Gavin Ash (21:28).

=====

A grey blowy and squally evening dissuaded many from entering and the numbers were well down. Almost everybody who had ridden last week found that they were much slower this time around with the sole exception of Paul Townsley so well done to him. Well done also to Huw Williams who notched a best time for the season (having missed the opportunity in last week's benign conditions).

Nik Allen continues to pulverise the field and now has 5 wins. The rest were much of a muchness with just 17 seconds separating the next six riders.

=====

Given how challenging the conditions were Chris McNamara (retuning from illness) went a mere 20 seconds short of the course record. Quite remarkable.
