COURSE SAFETY NOTICES

Report

Last week Nik Allen completed seven rides with an optimum points total of seven. So the season's title is in the bag unless someone can manage to match the total of seven wins (with just six events remaining) and in a lower aggregate time.

Note that the results sheets (as shown on the club website) from weeks 4 and 7 have been altered to reflect the fact that Ollie McDonald is a member of Tuff Fitty (and not WECC) so some riders in those events will receive one more point.

=====

Unfortunately there was a problem with the timing this evening.

It appears that all times were understated by 25 seconds.

A results sheet has been produced which reflects this. The sole purpose of the sheet is to show the finishing order, and consequently the WECC points. The adjusted times cannot be used for any other purpose – particularly personal bests. The Vets on Standard Points will not be calculated for this event.

WECC riders in Open Time Trials – Latest Action

Work took precedence on Saturday as both of our riders in Saturday's Horsham Cycling 10 were DNS.

Two more DNS for the re-routed Old Portlians 25 on Sunday completed the set. Nolan Heather continued his fine form and was the fastest of our quartet of riders in that event.

Wednesday saw Nik Allen and Mike O'Gorman in action in ...a3crg's 10 and Colin Barton was another DNS.

Details from these events (and all rides so far in 2017) can be found [HERE](#).

Forthcoming Events

Sun 2 July	Blazing Saddles 50	P885/50	Trevor Leeding, Ian Cheesman

WECC riders in Road Races

Dom (26th place) and Gavin (DNF) found it tough going in Sunday's Surrey League 2/3 race at Cutmill.

Gavin did however pick up a few points at Portsmouth Mountbatten Circuit yesterday.

Details/photos from all the road race action for the season can be found [HERE](#) .
