COURSE SAFETY NOTICES

Report

Hardly a week goes by now without Nik Allen setting yet another landmark. This time he has broken the record for WECC riders on the G10/98 course. He beat Guy Smith's 2005 time by 14 seconds. Given his recent stellar form this surprised absolutely no-one.

Spencer Kirkham also had cause to celebrate as he went under the 22 minute mark for the first time. Remarkably he finished on the same time as two other riders, all in joint third place. The man in second place was John McGrath who is getting progressively quicker in his return from a lengthy lay-off. Karen McGrath had the sweet agony of equalling, but not beating, her club record time.

Another cause for comment was the fine form of 72 year old Allan Orman as he improved his LTS time by four seconds. Well done indeed. Presumably it was a good evening as there were a huge number of season's best times recorded.

=====

Over the weekend there were some fine 25 mile TT rides by Martin Booker and Spencer Kirkham, plus an excellent 50 mile TT ride by Ian Cheesman.

Details and photographs from our riders in open events can be found [HERE](#).

=====

It was rewarding to see such a good turnout and with a wide range of representation from other clubs. Welcome to you all. Simon McNamara produced a splendid time and there were many others there who would be pleased with their times.
