## Report

Another week has passed by: this time with multiple club records being set. Hardly a week goes by now without Nik Allen setting yet another landmark. On Sunday 10 June 2018 in the Hampshire Road Club 25 on P881/25 Nik Allen / Trevor Leeding / Neil Crowther set a new **3 man team record 25 mile time** of 2:44:42 (taking more than 4 minutes off the 1986 mark as set by Pete Danckwardt / Andy Smith / Paul Toppin). On Wednesday 13 June 2018 Nik Allen smashed his existing **15 mile club record**. His time of 31:26 on the ...a3crg 10 on P881R/15 was almost three minutes faster than his 34:23 set last year on G15/93.

Details and photographs from our riders in open events can be found [HERE](#).

=====

Tonight saw even more remarkable performances as the overall field produced rides of real quality. Gavin Ash (usually to be seen putting down prodigious power in road racing events) turned up for a rare foray into time trialling. Having a road bike with clip-on bars was clearly no handicap as he finished first overall and just a single second ahead of the in-form Nik Allen. Big congratulations go to Martin Booker. He is doing so very well this season and notched another personal best time this evening.

=====

Rob Pelham was the fastest non-WECC rider on the night. However Marcus Edwards, making a return after a long injury, did suffer a 30 second late start penalty.

As per last week I am expecting to put up videos of the rides on our club website (and Facebook) during the next day or so.
