YET ANOTHER CLUB RECORD THIS WEEK

It's the seventh new club record of the season as the 50 mile team record is the next to fall. Huge congratulations to Ian Cheesman, Neil Crowther and Martin Booker. Their combined time of 5:47:10 at the Blazing Saddles event last weekend eclipsed the previous record of 5:53:32 (set in 1992 by Paul Toppin / Richard Shipton / Jeremy Wootton).

Details and photographs from our riders in open events can be found [HERE](#).

=====

It was a fine turn out with many riders opting to avoid the World Cup fare on offer, and thanks in particular to Lewes Wanderers CC for their support this evening.

The race for the overall series intensifies. Gavin gained another win. Nik's 1:40 late start penalty proved to be crucial as his excellent fastest WECC time of 20:58 was inflated.

John McGrath put in another good vets win albeit it only affected his best six average marginally.

Well done to Huw Williams: the one rider to notch a season's best.
