***Held within the Sussex CA Hard Riders event***

***Qualifying event for WECC SPOCO Competition***

Promoted for and on behalf of **Cycling Time Trials** under their rules and regulations

## **RESULTS**

Well this event on a new course turned out to be a damp squib.

Storm Freya, with high gusting winds and lashing rain, deterred many riders including all of the WECC entrants.

Mike looked out of his front door and didn't bother going. Nik went to the race HQ before deciding not to ride. Cheesy was the bravest. He went, warmed up and then rode to the start. However four heart-stopping moments in the wind en route caused him to decide to stay safe.
