## **Report**

For the second week running the decision was taken to bring the start of the event forward by 15 minutes due to the poor fading light. This had been exacerbated by the heavy downpour which prevailed for much of the hour leading up to the start. Three riders opted not to start.

Nik and Nolan both did well to record season's best times in distinctly unfavourable conditions. Phil, Robert and Joan all made welcome returns.

And once again it was good to see a good number of other clubs represented.
