Report

So, due to ongoing roadworks on the A24, we were back on the reserve G10/97 course for the third consecutive week. Well it would have been the third week if only the strong winds hadn't caused the cancellation of last week's race. Tonight's weather wasn't great either as threatening clouds gave way to rain before the start. This abated just long enough to complete the event before the rain started again.

The usual suspects headed the WECC leaderboard this week. John McGrath recorded his fastest 10 of the season so far. Cheesy unfortunately suffered a pre-race pedal failure and went home in disgust. Mike modelled his fetching new NoPinz aero socks, and since one slipped down almost immediately he had one aero leg and one not. Distinctly unimpressed.

The fastest 'guest' rider was one of our local stars, ex National Hill Climb champion Joscelin Lowden. It's great to see her back in action after suffering a nasty crash in the Amgen Tour of California Womens Race a couple of months ago.

WECC Club 15 Championships

Well done to Nik Allen as he reclaimed the club's 15 mile title in last Saturday's SCA Championship event. He added to that by winning the SCA event too, thus becoming SCA Champion at the distance in a time that beats the VTTA Surrey/Sussex record for his age group.

Karen McGrath rode a PB (and that's very well done given the profile of the new G15/92 course) to win the SCA women's category. This brought her the WECC women's title for the fourth year in succession.
