Report

So after a three week absence we were back on G10/98. But the strong gusting winds made things very difficult and there was a series of slow times by the riders.

Nik Allen and Mike O’Gorman had both ridden in the previous days ...a3crg 15 in exactly the same conditions. It is unclear whether or not that was a help or a hindrance. Certainly it was a challenge. Cognisant of the weather Karen McGrath wisely opted for safety first and switched to her road bike.

It was nice to see Allan Orman make his first evening 10 appearance of the season and our commiserations go to him as he had his best road bike stolen in Bognor this morning.

Finishing almost 2 minutes ahead Nik recorded his sixth win out of six to give him an optimum score for the series. With just five races left this all but wraps up the title for him. Only one challenger John McGrath, with a single win so far, could equal the optimum but even then Nik would be expected to be the winner on aggregate times for the 6 wins.

Congratulations to Matthew Smith of Team ASL for the fastest ride of the evening.
