Report

The good news is that it's great to be back at long last. With Covid having wiped out last season this was the first evening 10 since 4th August 2021. The surprising news is that a mere 16 riders took to the start line.

The Covid regulations meant that there could be no start marshal so each rider had one foot on the ground and then had to clip in super quickly. And, sadly, there were none of the usual refreshments.

The VTTA standards have changed slightly for the coming season just two years after the last revamp. The revised figures are now in use for the vets' series competition.

With club champion and multiple record holder Nik Allen having switched to Team TMC it was John McGrath who put down an early marker in the race towards the 2021 series title. John also put in an early lead for the vets' series title too.

Nice to see some 'new' names. Hugo and Carey McLaughlin have returned to the club and entered the fray. A particular welcome goes to new member Aaron Butler who competed in his first ever time trial.
