## 2014 Sussex Championship Points Competition

### Sussex Championship Points Competition – Introduction

The Sussex championship points competition is open to all first claim members of Sussex CA affiliated clubs. There is no need to register for the competition as any qualifying ride by a member of a Sussex CA affiliated club will automatically be recorded.

### Sussex Championship Points Competition – How it Works

The competition consists of a series of seven Sussex Championship events – 10 miles, 25 miles, 30 miles, 50 miles, 100 miles, 12 hour and hill climb. **The competition is decided on the highest number of points totalled from the seven qualifying events.**

For each qualifying event ridden you will be awarded points based on your position in that event in relation to other riders from SCA affiliated clubs – 20 points for first place, down to 1 point for 20th place – riders who are not from SCA affiliated clubs will be disregarded in the points allocation. Any number of events can be ridden – the more events you ride, the more points you are likely to get.

## 2014 Sussex SPOCO Competition

### Sussex SPOCO Competition – Introduction

All first claim members of SCA affiliated clubs are automatically included in the Sussex SPOCO. Changes to the Sussex SPOCO were passed at the 2013 AGM to discontinue the veteran on standard competition, expand the handicap competition and amend the overall competition to be decided on your best **three** qualifying rides which must include one short, one middle and one long distance from the list of qualifying events.

### Sussex SPOCO Competition – How it Works

The competition consists of a series of sporting events that are broken down into three categories – Short, Middle and Long distance. For each qualifying event ridden you will be awarded points based on your position in that event – 120 points for first place, down to 1 point for 120th place. **The competition is decided on your highest scores from three qualifying events which must include one short, one middle and one long distance event.**

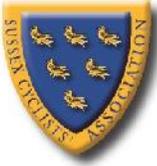

- Any number of events can be ridden as your best placing in each category will automatically count towards the competition.
- Times are of no consequence as it's your position on the day that counts.
- Starting at 120 points for the winner, and reducing by 1 point per position, means the fewer riders there are, the more points you are likely to get.
- Riders that completed one event at each distance in the previous year will be eligible for inclusion in the handicap competition which is simply the difference between the maximum available points and the actual number of points achieved.

### Sussex SPOCO Competition – Awards

The following awards will be presented at the Annual Prize Presentation Lunch

<b>Overall</b>	1st – SPOCO Trophy	2nd – Medal	3rd – Medal
<b>Overall Team of Three</b>	1st – Medal for each team member		
<b>Women</b>	1st – Medal		
<b>Junior</b>	1st – Medal		
<b>Handicap</b>	1st – Medal	2nd – Medal	3rd - Medal

**Please note** there is no veteran on standard competition so the existing trophy will be awarded to the rider over 40 with the highest overall score.
