Cycling in Worthing

Figures from the last two censuses (or is that censi) showed a significant drop in the use of bicycles to get to work in Worthing – in 1991 6.5% of the working population cycled to work but by 2001 that figure had fallen to 5.3%. So if you thought that the traffic was getting worse – there's one reason!

Despite, or perhaps because of this, there has been renewed interest in the provision of cycle routes, filter lanes at junctions and so on. Consultation has recently finished on a cycle route from Brooklands to Splash point which is expected to be a segregated route alongside the coastal path and is scheduled for construction in January – March next year.

Keep up to date with developments on the council website (www.worthing.gov.uk) where there is a cycling discussion forum, or get on your soapbox to cycling@worthing.gov.uk.

Hello Luddites!

What with Daphne's Parkinson's and my high blood pressure, we don't get out much these days - no more radio work, no more timekeeping, and in fact I have to go out to the garage from time to time to remind myself that I once used to ride a bike.

However, the snow on the roof doesn't mean that the fire has gone out, and the interest has is still there. I found these Internet pages the other day - I wondered whether the technophobes among you had found them.

<http://www.analyticcycling.com/> - Deals with the technical side of training, cadence, gear ratios etc. It's all spelt and discussed in American, but they mean well.

<http://www.cyclingplus.co.uk/forum/>

Would that this sort of thing had been around 50 years ago!

John Grant.

Inventory of Club Equipment

A few issues ago a light hearted look was taken at the Club's inventory of equipment of a hundred years ago (soldiers coats, club revolver etc).

Towards the end of this year Don Lock, Vern McClelland and Tony Palmer will be updating this artefact – so if you are currently borrowing or storing any club property please let one of the three know.

Foreign Events...

The Club will be represented at this year's Duo Normand by 8 Teams.
 Best Wishes to all of them.
